

East Midlands Geological Society
60th Anniversary 1964-2024
Autumn Lectures 2024

Saturday 14 December 2024, 6.00 - 7.00pm

Dr Albert Benghiat

Medicine and Geology

- an exploration

The talk will review the historical contribution of medical practitioners to the science of geology and then go on to explore any methodological similarities in the practice of these two scientific disciplines.

Venue: School of Geography, Sir Clive Granger Building,
University of Nottingham, University Park, Nottingham,
NG7 2RD [Google Maps](#)
